

Ghana

Visit studyabroad.ua.edu for updated dates, cost, housing, itinerary and excursion information.

Designed for all majors at UA, the program provides students with a unique opportunity to participate in service learning projects in Ghana. Service learning agencies include Ghana's Environmental Protection Agency, elementary schools, hospitals, Governor's office, municipal planning offices, FM Radio Studio, and Social Service Agencies.

Participants receive letters of recommendation from the local agencies.

term: Summer II
2020

COURSES

Required: 6 total credit hours
